Summer Placement Report 2022 – 24

IMT Ghaziabad has yet again firmed its commitment to the diverse talent requirement of the corporate world, with successful completion of the Summer Placements for the Batch 2022– 24. It has come through a long lasting relationship with leading organizations, and engaging with them on various forums. IMT Ghaziabad, as a responsible B-School, understand its role in grooming its students to live up to the recruiter's expectations in ever increasing volatile, uncertain, and complex global business environment.

We have broken free from the shackles of the pandemic, making substantial gains in overall average stipend, highest stipend, number of recruiters, and diverse roles offered to our students. The Summer Internship being mandatory and an integral part of the curriculum; helps students gain required skills to accomplish their career goals, and get hands on experience with leading organizations.

Participation by **140+** leading organizations in our **Summer Internship Recruitment Process** for the **Class of 2022 – 24** is a testimony to our consistent engagement with leading organizations, strategic and robust processes that we have put in place, to ensure better outcome on the internship projects. We saw a **22.4%** increase in average stipend, with an average stipend for the top 10 and top 20 percent of the batch being INR **2.80 lac** and **2.35 Lac** respectively for 2-month duration. More than **75%** offers have come from **BFSI, FMCG, Consumer Durable, IT/ITES, Manufacturing & Engineering and Ed-tech/Education** sectors. More than 40% new recruiters participated in our Summer Internship Hiring process this year.

Overall Placement Statistics

* All stipend figures are for complete internship duration.

The average stipend for female students surpassed their male counterparts by 33,000. IMT Ghaziabad has always motivated female participation and maintained gender diversity as is evident from average stipend of both the genders.
