ABOUT IMT GHAZIABAD

Institute of Management Technology (IMT), set up in 1980, is a pioneer in offering top class management education in the private sector in India. Its management programs are grounded on the belief that managerial competencies must be married to technology to ensure most impactful management practices. The programs are profiled appropriately with the evolving skill needs of the business world, contemporary, also for future, in order to remain relevant to the ever changing world. Having smart campuses with ultra-modern academic facilities, deep corporate engagement, intensive international connect, faculty with very rich experience in industry and academics, vibrant campus life ensuring a holistic approach in grooming the students for the challenging career, enabling academic environment make IMT an irresistible destination for budding business leaders.

NEW CAMPUS INITIATIVES

• IMT Ghaziabad has exclusive tie-up with Indraprasatha Institute of Information Technology Delhi (IIITD) with an objective of making a collaborative impact on contemporary student education, entrepreneurship and society.
• IMT Ghaziabad has collaborated with University of California, Davis, USA as an international partner. UC Davis is AACSB accredited and ranked among prestigious rankings like 102 in QS global rankings and 4 in Palmes Ranking.
• IMT G has exclusive tie up with “GreenTree” for cooperation in building intellectual and human capital in the field of sustainability, academic education and research, through the sub brand of Greentree named GT Academy.
