VISION
To be a leading management institution that contributes to the development of business and society through excellence in grooming leadership, entrepreneurial talent and research.

MISSION
- Create intellectual capital in terms of scholarly and practice-oriented research relevant to its evolving techno-civilization context.
- Foster a worldview that promotes diversity, inclusion, and ethical participation in the interconnected world of business.
- Forge meaningful partnerships with industry, academia, government, and social sectors such that sustainable businesses are built fulfilling the collective needs of various stakeholders and the society.
- Promote a culture of academic excellence benchmarked against the best institutions in its peer group.
As years pass by, as the number of feather adds to its wings, as the pride of being alma mater of so many high achievers adds power to its engine, the Institute flies. Institute of Management Technology Ghaziabad is flying. Having a very modest beginning in 1980, the Institute is now counted among those Institutions in the country, which are known to be offering top class management education appropriate for contemporary context. Its belief that managerial competencies must be married to technology to ensure most impactful management practices works as a guiding principle for all of its offerings. The programs are curated appropriately for the evolving skill needs of the business world. Having smart campus with ultra-modern academic facilities, deep corporate engagement, intensive international connect, faculty with very rich experience in industry and academics, added with vibrant campus life ensure a holistic approach in grooming the students for the challenging career. An enabling academic environment coupled with action orientation in teaching – learning process make IMT an irresistible destination for budding corporate leaders.

IMT Ghaziabad has been accorded a global recognition by Association to Advance Collegiate Schools of Business (AACSB), a widely acknowledged international accreditation body for global B-Schools, by extending its accreditation to the Institute in April 2021 for a further period of five years. The Institute has also been accredited in September 2020 for five years by SAQS, an international accreditation body for B-Schools in South Asia. Most importantly, IMT Ghaziabad is one of only four private B-Schools in the country to be accorded Graded Autonomy in Category I (highest grade) by AICTE in November 2020.
IMT Ghaziabad has now grown significantly in terms of number of students, sophisticated hostel facilities, state-of-the-art auditorium, new academic building having fifteen classrooms with modern facilities for teaching-learning processes, learning resources, software and databases.

IMT Ghaziabad has twelve Bloomberg Terminals for use of students and faculty, an emerging technology lab and business simulation games like Capstone etc.

ACCREDITATIONS & APPROVALS
Alumni happens to be one of the pillars of strength for any academic institution. IMT Ghaziabad is no different. Achievements of alumni and their contributions to the world in various capacities add credibility to their alma mater. At the same point of time, through this linkage, they are benefited from the brand credibility of the institute.

In order to strengthen this chain of mutual advantages and facilitate its alumni update necessary skill set to move up the ladder in their career, IMT Ghaziabad is planning to play the role of a catalyst by offering a mid-career reskilling program to its alumni. This program will not only get the alumni back to campus to relive the nostalgic days, but also will create opportunity of learning from experts and from each other.

IMT Ghaziabad is launching a unique one of its kind re-skilling program for its alumni titled Advanced Management Program for Alumni (AMPA). Realizing that the upskilling need could be different at different stages of their career, the Program is being offered to three different cohorts of alumni based on their post-PGDM experience, each addressing a different set of skill needs appropriate for the stage of the career.
The three cohorts are defined as follows:

01. **Cohort I**
   Alumni having Post-PGDM experience of more than 5 years but less than 10 years

02. **Cohort II**
   Alumni having Post-PGDM experience of more than 10 years but less than 15 Years

03. **Cohort III**
   Alumni having Post-PGDM experience of more than 15 years

IMT recognizes that:

- Executive and managers, under pressure to evolve with rapid advancement in technology and their dynamic work environment across industries and geographies, need to reskill (often several times) in their professional career.
- Peer to peer interaction should be augmented beyond two year stay during MBA program and develop broader professional network among peers.

Keeping these in mind, IMT commits to promote a lifelong learning among its alumni and invites IMTians to tune in to the classes, one more time, without taking time off from the work.
PROGRAM HIGHLIGHTS

- Blended method of delivery, online courses and offline workshop
- Specifically curated Advanced Management Program for a Cohort

Build a strong network of peers to expand your career prospects

To learn the skills highly essential to act more decisively and strategically in an atmosphere of uncertainty and complexity

Learn latest business practices, insights and trends

WHY SHOULD YOU JOIN THE PROGRAM?
The Program architecture is divided into three modules covering following three domains:

- **Module I: Business Environment**
- **Module II: Banking and Finance**
- **Module III: Technology as Tool for Business**

In each module, an alumni need to study three courses of six hour each and thus complete 18 hours of courses in each module. In addition to the 18 hours, they will be offered a 6-hours workshop in each module wherein they will be required to stay in campus for a couple of days. The sessions and workshops will be held on Saturdays and/or Sundays.

A participant will have to complete 24 hours in each of the three modules and thus, a total of 72 hours across three modules, to be awarded an **IMT Ghaziabad Certificate in Advanced Management**. Also at the end of each module, a micro certificate will be awarded. Credit accumulation would be key to the process.

**An important Point:**
While a participant is expected to complete entire certificate program in six-seven months, under circumstances beyond his/her control, he/she may be allowed to carry forward credit from a module/course and complete the program at the earliest possible opportunity.
Following are an indicative list of courses and workshop topics under each of the modules for each of the Cohorts (Actual offering will be notified before the start of program)

The modern business era is evolving continuously and rapidly. This era is characterised by continuous innovation, high degree of obsolescence, ever changing consumer needs, continuously expanding choices and preferences, multi-dimensional competitive forces, high degree of technological intervention, and what not. This is an era when every action of an individual can be captured, analysed and used in making business decisions. This is an era when man has to upskill continuously and hone the creative and innovative acumen to remain above machine all the time, lest they be obsolete.

IMT Ghaziabad, as a responsible B-School, understands its role in grooming and reskilling its students, past and present to progress in their careers as well as make the necessary career advancements. The Advanced Management Program for Alumni (AMPA) is a unique and a first of a kind program in the country that aims at creating upskilling opportunities for its senior alumni. It is also an opportunity for them to come back to their alma mater and spend some time in nostalgia, also reconnect with the network of alumni.

I welcome you back to the campus and to this unique opportunity to learn, evolve and connect!
