# THE IMT PERSPECTIVE

“

***Institute of Management Technology (IMT), set up in 1980, is a pioneer management institute offering top class management education.***

”

Institute of Management Technology (IMT), set up in 1980, is a pioneer in offering top class management education in the league of premier B-school in India. Its management programs are grounded on the belief that managerial competencies must be married to technology to ensure most impactful management practices. The programs are profiled appropriately with the evolving skill needs of the business world, contemporary, also for future,

in order to remain relevant to the ever changing world. Having smart campus with ultra-modern academic facilities, deep corporate engagement, intensive international connect, faculty with very rich experience in industry and academics, vibrant campus life ensuring a holistic approach in grooming the students for the challenging career, enabling academic environment make IMT an irresistible destination for budding business leaders.

# VISION

To be a leading management institution that contributes to the development of business and society through excellence in grooming leadership, entrepreneurial talent and research

# MISSION

- Create intellectual capital in terms of scholarly and practice-oriented research relevant to its evolving techno civilization context.
- Foster a worldview that promotes diversity, inclusion, and ethical participation in the interconnected world of business.
- Forge meaningful partnerships with industry, academia, government, and social sectors such that sustainable businesses are built fulfilling the collective needs of various stakeholders and the society.
- Promote a culture of academic excellence benchmarked against the best institutions in its peer group.

# COVID COMPLIANCE & LEARNING FACILITATION

IMT Ghaziabad campus is strictly following the MHA and the State Government norms for Covid 19 pandemic and taking all necessary precautions. The campus has created an SOP to be followed by all faculty, staff and students which includes facilities for hand washing, sanitizers installed in key campus locations, Do's and Don'ts prominently featured and social distancing in classroom, common areas, mess and hostel. In addition to this, the institute will have Covid isolation rooms in case of some student/s feeling unwell and needing isolation. The institute has tie ups with close by hospitals, ambulance services and doctor-on-call to assist all faculty, staff and students in case of emergencies.

**The institute has also installed the following in order to facilitate learning and not disrupt teaching during and post the pandemic.**

Smart classrooms with a camera and pre-installed projectors so that candidates can access live classrooms remotely if needed.

High quality video conferencing through purchases licensed softwares like Microsoft, Zoom and Lifesize

Provisions of conducting & proctoring live exams/quizzes online.

## OF THE INSTITUTE

# DIRECTOR'S MESSAGE

Management education globally and IMT Ghaziabad specifically is alive to the changes happening around us. Established in 1980, IMT Ghaziabad has crossed multiple milestones, right from its humble beginnings to becoming a globally reputed b-school, with coveted international accreditations like AACSB, accorded only to b-schools meeting stringent international quality standards. Guided by its philosophy of **development of business and society through excellence in grooming leadership, entrepreneurial talent and research**, IMT Ghaziabad has thoughtfully integrated innovative and action-oriented pedagogy to groom upcoming future managers and those looking for major career transformation.

The Post Graduate Diploma in Management for working professional program, approved by AICTE and accredited by AACSB, is a unique two-year program, with classes scheduled over weekends, for working participants and entrepreneurs, aiming to provide formal learning opportunities to aspirants looking to expand their professional horizons and harnessing their leadership skills while continuing their professional journey. Learning at this level requires an experiential and constructivist orientation with critical, reflective discussions facilitated by the faculty and your fellow participants. Our program is able to provide exactly this in a supportive environment.

The PGDM-WE program continues to enjoy a premium place in the niche of WE programs in the country owing to its illustrious alumni, one-on-one attention and robust contemporary architecture. Opportunities to study abroad with our partner b-schools, sensitization towards societal issues, workshop based courses, and cutting-edge content are a few highlights of the program.

Program participants are the nerve centre of IMT Ghaziabad, hence, your experience here, and your success thereafter, is critical to all of us – the faculty and the staff. I invite you to find out more about our unique opportunity and wish you luck with your application to the program.

Director  
IMT Ghaziabad

# ABOUT THE PROGRAM

PGDM-WE is a two-year AICTE approved and AACSB accredited Program in Business Management for Working Professionals.

It is a Program specially designed for working executives who are looking for accelerated progression in their career and wish to complete their MBA without leaving their job. It is not a distance learning Program or a correspondence Program. It offers seamless interaction opportunities with faculty members with on-campus classes on every alternate weekend. The Program focuses on developing business leaders and change agents who should be ready to take the leadership roles after the completion of the Program.

## PROGRAM OBJECTIVES

The Program aims at achieving following objectives for working professionals:

To build a managerial perspective on issues and problems in different functional areas of management.

To develop a general management perspective.

To impart knowledge of science and art of management.

To develop analytical and decision making skills.

To facilitate Peer learning through sharing of experiences in an academic setting.

To inculcate values and ethics and a broader understanding of sustainable social initiatives.

# PROGRAM CHAIRPERSON'S MESSAGE

Welcome to the PGDM-WE program of IMT Ghaziabad. Your interest in this program reflects your ambition and commitment to grow further while you continue contributing in your existing employment.

The PGDM-WE Program of IMT Ghaziabad is one of the oldest in the region with an extremely illustrious list of alumni. In the long and successful history of this program, we have come to learn that while it is definitely a challenge for participants of this program to navigate the twain of profession and learning, it is an extremely fulfilling experience as well! The participants have the unique opportunity to link, compare and distill the classroom deliberations against their work situations and develop an

actionable, yet formidable toolkit of managerial and leadership skills in the process.

The rich pedagogy of the program is distinct & customized to the needs of working professionals and comprises stimulating interactions with experienced alumni, challenging live projects, thought-provoking panel discussions and incisive webinars.

However, as they say, it will be simple, but not easy! Brace yourself for the simultaneously demanding and enriching journey of learning, unlearning and relearning. I assure you that it may not be easy, but it will be worth it.

Welcome aboard once again.
